Read:-

- 1) From the President, APSA., representation dated 07.02.2009.
- 2) Govt. Memo No.5694/SB.1/2009-6, dated 09.11.2009.
- 3) From the Director (Operation-1), H.M.W.S.& S.B., Hyderabad letter dated 25.02.2010.
- 4) Govt. Memo No.5694/SB.1/2009-11, dated 02.03.2010.
- 5) From the Executive Engineer (R&B), EBD., Hyderabad letter No.EE/ Sectt. Buildings/Water treatment/Est/ dated 22.03.2010.

ORDER:

The President, A.P.Secretariat Association in his letter dated 07.02.2009, has requested for establishment of one water purifier plant in the premises of A.P.Secretariat and to supply purifier drinking water through a direct pipe line instead of over head tanks to the employees Secretariat. After conducting series of meetings with R&B (Buildings) officials and water works department in the Chambers of Prl.Secretary (Poll.), GAD., and proposed for establishment of water purifier plant to supply drinking water to the employees in the premises of A.P.Secretariat.

2. In the reference 3rd read above, the Director (Operation-1), H.M.W.S.& S.B., Hyderabad has submitted three alternative proposals for providing potable drinking water through separate piping and taps for the use of employees of A.P.Secretariat, Hyderabad. The Chief Engineer (R&B), Buildings, Hyderabad was requested to examine the three alternative proposals for providing of purifier drinking water facility to the employees of A.P.Secretariat and furnish his specific remarks on each proposal along with estimations to the Government.

3. In the reference 5th read above, the Executive Engineer (R&B), EBD., Hyderabad has submitted estimations on three alternative proposals and recommended proposal No.3 is viable as the plant can be placed over the top floor of each block duly providing water to the plant directly from the PVC tank proposed to be fixed over the terrace and supply of water can be given to each floor at the point of supply of water where water coolers are to be provided in each floor for supply and erection of plant one time (as per estimates J, K, L, A & B-Blocks) with an estimation of Rs.21,37,000/-. He has also proposed that L-Block may be considered to take up the single block first on trial basis, with an estimate of expenditure Rs.3.10 lakhs (Rs.2.80 lakhs for supply and erection of Reverse Osmosis Plant with necessary accessories etc., and Rs.30,000/- for providing sintex tanks and GI pipes) and requested to accord administrative sanction and communicate with provision of funds.

4. In the circumstances reported by the Executive Engineer (R&B), EBD., Hyderabad and after careful examination of the matter, Government have accepted the proposal for providing of water treatment plant with Reverse Osmosis treatment of water over the top floor of each block i.e., J, K, L, A & B blocks and in South & North H-Blocks can be provided after completion of the additional floors, which is under construction and also administrative sanction is hereby accorded for an amount of Rs.3,10,000=00 (Rupees Three lakhs ten thousand only) for setting up of water treatment plant over the top floor with

pto...2

Reverse Osmosis treatment of water over L-Block, in the premises of A.P.Secretariat, to take up the single block first on trial basis, on the responsibility of the Executive Engineer (R&B), EBD., Hyderabad and also subject to production of work done certificate at the time of issue of LOC.

5. The expenditure shall be debited to the head of account "2059 Public works - 01 Office buildings - MH 053 Maintenance and repairs - SH (10) Buildings of General Administrative Department - 270 Minor works - 272 Maintenance".

6. This order does not require the concurrence of Finance & Planning (FW) Dept., in terms of circular Memo.No.7088/049/A/BG/2000-1, dated 25.10.2002.

(BY ORDER AND IN THE NAME OF GOVERNOR OF ANDHRA PRADESH)
